SUMMER THIS SUMMER IN COLORADO

Many people put aside all thought of an outing in Colorado because they are accustomed to consider this greatest of American playgrounds as one of those impossible things beyond their means. Time was when a visit to the "top of the Continent" was a great luxury, as high in price as in altitude, but not so today.

You can spend the Summer or a part of the Summer in Colorado and live as reasonably as you do at home, and the quick service and low tourist and excursion rates afforded via Rock Island lines bring the Rockies within your easy reach

BEAUTIFUL HAIR

Is admired by all for, without it, no man or woman can be considered truly beautiful. Hence, as has been said, "It is sweet to part the sunny hair and look upon the brow of those we love." The

20th Century Hair Tonic

cures dandruff, scalp eczema, stops the hair from falling out and restores gray or faded hair to its original color, beauty and softness. It is a strictly scientific preparation and will renew the hair on bald heads, where the bulbs are not perfectly dead. It is not a dye, but is a Hair Food and is guaranteed to produce results after all other so-called hair restorers have failed. As a superb hair dressing, it is without a rival or a peer. It should be on every dressing table. It will render soft and glossy the coarsest hair, thus changing a deformity into a pleasing beauty. That it will rapidly become the general favorite there is no doubt, as it possesses paramount virtues far beyond all other similar preparations.

Druggists sell it at \$1.00 per bottle. If not for sale by your druggist, it will be sent by express prepaid upon receipt of price. Send stamp for book of particulars. Address The 20th Century Chemical Company, Brownsville, Tenn.

IT IS DANGEROUS TO NEGLECT A COLD.

How often do we hear it remarked: "It's only a cold," and a few days later learn that the man is on his back with pneumonia. This is of such common occurrence that a cold, however slight, should not be disregarded. Chamberlain's Cough Remedy counteracts any tendency of a cold to result in pneumonia, and has gained its great popularity and extensive sale by its prompt cures of this most common ailment. It always cures and is pleasant to take. For sale by Freeman Bros.
